Subject: Annual Report, Red Dome, Inc., Red Dome Mine, M/027/032, Millard  
County, Utah

Dear Mr. Anderson:

On December 29, 2003, we sent out requests for the annual report, to be submitted by January 31, 2004. On January 1, 2004, you replied with a note stating that you had sent paperwork in September-October, 2003 rather than redo it. This letter is to advise you that we have never received an annual report for 2002 or 2003. We have no record of receiving anything from Red Dome in September or October, 2003. The last notes in the file reflect the August, 2003 meeting held on site at Red Dome, then our review of your April 17, 1995 draft response letter which was sent to you on November 4, 2003.

We have changed our records to reflect Red Dome, Inc.'s address as noted in your January 1, 2004 note.

Please complete the enclosed annual report form and return it to us as quickly as possible. If you have records for year 2002, we would appreciate receiving that report as well. Also, please re-send a copy of the paperwork you submitted apparently in September-October.

Thank you for your prompt attention to this matter.

Sincerely,

Tom Munson  
Senior Reclamation Hydrologist
